Conflict Minerals Policy Statement

OBR 0822.55-01

TO WHOM IT MAY CONCERN

EKWB D.O.O., Pod Lipami 18, 1218 Komenda, Slovenia, hereby

declares

that is committed to avoiding the use of "Conflict Minerals" which directly or indirectly finance or benefit armed groups in the DRC, adjoining countries or anywhere in the world. While EKWB does not have complete visibility into the sources of all component minerals, we are actively engaged with our suppliers to promote responsible sourcing practices. We support the humanitarian goal of ending violent conflict in the DRC and surrounding countries and anywhere in the world.

In addition, EKWB expects its suppliers (and their sub-suppliers) to exercise due diligence on the sources of the tantalum, tin, tungsten and gold used in components or products they supply to us. We will evaluate its relationships with its suppliers on an ongoing basis to ensure continued compliance with EKWB's policy.

Sincerely,

Edvard König, EKWB CEO
